

# To The Farmers of Covington, Coffee and Geneva counties.

The Moneyed Season of the Farmer is now at hand and we desire to handle your Funds through this Bank.

## To the Depositing Farmer.

In depositing money in a bank, it is always best to deposit your money with a bank that will appreciate your business and with a bank that will accommodate you by loaning you money when you need it. This Bank thoroughly meets this requirement as we deal principally with the farming people.

Your Money will be absolutely safe when Deposited with this Bank for the following Reasons:

Every officer handling the money of this bank is under sufficient bond and we are protected by a policy of insurance against any loss either by robbery or hold-up and our loans are worth one hundred cents in the dollar.

## The Strength of this Bank is:

CAPITAL	\$50,000.00
SURPLUS AND PROFITS	25,000.00
SHARE HOLDERS LIABILITY	50,000.00
Security to Depositors	\$125,000.00

To the Borrowing Farmer: We have money to loan every farmer in our territory that has the proper security to offer.

All transactions with us receives the attention of one of our officers. If you do not understand the principle of banking call on us and we will thoroughly explain it.

OUR BUSINESS IS CONTINUALLY GROWING AND WE WANT TO ADD YOU TO OUR LIST OF CUSTOMERS.

## Arrested on Charge of Holding Negro in Peonage.

Montgomery Journal.

Joe Dismuke, a prominent farmer of Coffee county, has just been arrested on a charge of peonage preferred against him in the federal courts. He is accused of holding in custody to work out a debt a negro by the name of Joe Crittenton. The negro is alleged to have been restrained of his liberty on the plantation of Dismuke, which is located 18 miles north of Enterprise.

Dismuke was arrested by Deputy United States Marshal F. M. Sheehan. He was taken before United States Commissioner Tutwiler at Dothan and furnished a \$500 bond, pending his preliminary hearing, which is set for Oct. 24.

Details of the alleged holding of the negro are wanted in Montgomery, and they probably will not come out until the preliminary hearing. It is known, however, that the district attorney in Montgomery has the matter in hand.

The town council held a meeting last Friday night and among other matters attended to was the appropriation of \$1000.00 to the street fund, this being nearly twice the amount of street taxes paid.

A report from Hon. Kyle B. Price, special examiner of the town's accounts, was made. The books were found in good condition and the money properly accounted for with only a few small errors.

According to figures of Deputy Insurance Commissioner Sexton, the state received for the fiscal year ending Sept. 30th, \$304,000 in taxes and license from the fire and life insurance companies doing business in Alabama. This is good, very good, but while we are rejoicing in would be well to remember that this money was all collected from the people of Alabama, that the insurance companies made a fat profit on all the money they paid the state and that the people paid the whole bill.

The United States government has thirty-one men at work in Alabama trying to show farmers how to get the best results from their farms. These men travel through all the counties and are always willing to help any one who will ask their advice. They have demonstrated many times that best results are always to be had by following improved methods, and these demonstrations are having a marked effect on farming in many counties of the state.

Every body cordially invited to attend all these services. Note the changes of hour the evening services from 7:30 to 9 o'clock.

H. B. Urquhart, Pastor.

After Shaving

use Dr. Bell's Antiseptic Salve. It will prevent the face getting sore. It destroys germs and prevents contracting any disease. 25c Sold everywhere.

To Encourage Local Home Music.

While undoubtedly we have in this country the germs of a splendid musical future, it is clear that said germs will need a lot of developing before we can call ourselves a really musical people.

Every town and village has its base ball club and thus fine ball players are constantly being educated up. It ought to be the same with the players of musical instruments, but one trouble is that while an outfit to play ball cost very little, a set of instruments for a local orchestra or band runs into a considerable sum.

All Bowel Trouble

is relieved almost instantly by using Dr. Bell's Anti Pain. It destroys disease germs and stops inflammation. Keep a bottle in the house. Sold everywhere.

## MAIL SERVICE ON THE ELBA BRANCH

Beginning Monday, Mail Clerk Will Come on Into Dothan.

Dothan Eagle.

The department has authorized the extension of service in trains 62 and 63, Waterford to Dothan, Ala., increasing the distance 17.19 miles, changing destination to the Dothan and Elba R. P. O. and effective October 10th.

Service in train 62 will be extended through to Dothan, returning in train 63 by postal clerk, performing service daily except Sunday.

Clerk in train 62 will make up pouch daily except Sunday for Dothan and will receive a pouch from Dothan in train 63.

## Tom Corwin IS COMING

The Great Polyphonic Imitator. on Next Wednesday night, Oct. 12th,

Tom Corwine will give his wonderful entertainment at the School House Auditorium. This is an off date and Grover C. Bowden decided to give Elba the benefit of hearing the most wonderful man on the platform.

Hon. W. S. Flemming, Pastor First Baptist Church, Evaston, Ill., says: "The entertainment given here last night by the wonder Tom Corwine gave the lie to that old saw: 'Nothing new under the sun.' Two hours of innocent amusement, two hours of side-splitting laughter, two hours of constant wonder, how in the world a human being could do it, week of pleasing recollection.

The price will be 50 cents. The price is less here than usual because this is an off date. Come to hear him. He is a wonder and you will be benefited.

Come all ye that have the blues, come all ye that are depressed on account of love affairs, business affairs or any other ailment and let's shake them all off and have an evening of real pleasure and amusement. Show will begin promptly at eight o'clock. This is the first time Mr. Corwine has ever appeared in the south and you may never be able to get him here again. There is no other man in the world that can do what he does. Admission 50c.

## Quarterly Conference.

The last quarterly conference for this conference year will be held at the Methodist Church next Saturday evening. Rev. J. S. Frazer D. D., Presiding Elder of the district will preach at Elba Saturday morning at 11 o'clock; at Liberty Sunday morning at 11 o'clock, and against Elba Sunday evening at 7 o'clock.

Every body cordially invited to attend all these services. Note the changes of hour the evening services from 7:30 to 9 o'clock.

Work on the Methodist church is progressing nicely, contractor Pardee being now engaged in placing the immense trusses which are to support the roof. The pastor informs us that the metallic roofing is expected on every train.

The crops about Elba show that this land will produce abundantly even under unfavorable conditions, when cultivated right. It also shows that intensive cultivation and a liberal use of guano pays big returns. This is evident from the fact that cotton in one field will be found of good size and loaded with fruit, while the next man's crop is small and carries few bolls. This is good enough evidence that there is "more in the man than in the land."

How Much Will You Pay

to have your eyes cured? Sutherland's Eagle Eye Salve only costs 25c and will cure. Good for nothing but the eyes.

Spirits of turpentine went above 75c at Savannah last week. This is probably the highest price that has been paid since naval stores men began to work timber in Georgia and Alabama. All grades of resin are also high and still going up.

## Montgomery Fair.

The Alabama Agricultural and Industrial Exposition, which will be held in Montgomery October 19-28th inclusive, will set a new pace in exposition events for the entire south. The officers and directors of the exposition have put forth every possible effort to assure the success of the enterprise, and already they have begun to reap the reward of their labors.

There can be no doubt in regard to the unprecedented success of the exposition. The exhibits which will be seen at the Fair will be larger and more diversified than ever before, and will come from every section of the State. Director Clarence J. Owens, who has charge of the agricultural department, is

## 305 BUSHELS ON 2 ACRES.

Mr. Harmon Law Makes New Record For Corn Growers.

Mr. Harmon Law, who farms in Pike County, near the county line of Coffee, has broken the record for the number of bushel of corn from one acre.

Last week he harvested two acres of corn that had been cultivated by the Williamson improved or Law method, and from the two acres he gathered Three hundred and five and a half bushels, or one hundred and fifty-two bushels and three pecks from each acre. This is said to be the largest amount of corn ever grown on a single acre of land in this state. The corn was measured by an agent of the Government, and there can be no mistake about the matter. It was not guess work, but the corn was there by actual measurement.

The corn was planted in rows three feet wide and the stalks were eighteen inches in the drill. It was fertilized and cultivated after the Williamson method, with such improvements as Mr. Law thought would be best. We cannot give the exact manner of cultivation now but hope to do so later.

On the same place Mr. Law has three acres of cotton that will make five bales or more, it has not all been gathered yet.

As can be seen from the above Mr. Law is a farmer right. He knows how and has the energy to put what he knows into actual practice. Such a man and such a farm is of inestimable value to any community, the county and and whole country. We hope the example he has set will be contagious, as it doubtless will be and that this whole section will react to get better results from the land. While all the land here cannot make such corn as above noted, there is very little of it that would not make 50 or 75 bushels if given the right kind of cultivation and enough of it.

R. W. Geyer, Young Men's Christian Association, Chicago, says: "The cleanest, most entertaining program I have ever listened to."

"I have heard all the leading humorists and entertainers during the past twenty years," says F. E. Hopkins, Pastor Pilgrim Congregational Church, Chicago. "And there is not one of them that could make an audience laugh as much and feel as well repaid as after listening to Tom Corwine. All that he does is original. He imitates nobody. He does not relate a lot of old stories told by some one else. He is a first class christian gentleman."

Hear Corwine at the auditorium Wednesday night. It will do you good. A good laugh and some fun is worth more than all the patented medicines sold in the state and Corwine is the only man of his kind in the world. Does all his entertaining with his own self.

Auditorium Wednesday evening at 8 o'clock P. M. Admission Adults 50 cents, School children 25 cents.

Dire Calamity Is Predicted.

St. Petersburg, Oct. 4.—Prof. Rein, of the Red Cross, who was sent by the government to south Russia to study measures of combating the cholera, predicts that there will be an outbreak of the epidemic in 1911 more serious than that of the present year.

## Boll weevil in Baldwin

Government Agents Discover Pest In Several Fields.

Bay Minette, Ala., Oct. 8.—The following is a statement made by L. T. Rhobes, special agent of the United States Department of Agriculture in regard to the boll weevil and its march eastward from Texas: "I noticed in Friday's paper that I had made the statement there were no boll weevils in Baldwin county. Up to one week ago last Friday, I could say that none had been found in it but since that time they have been found in several fields, though few in numbers.

"The square punctured and the different stages of development of the larvae indicate that they had been there but a few days. The weevil is here, but there is no cause for alarm. We anticipated his arrival; and the wise farmer has been making preparations for him, and is not surprised.

"There is no use for anyone to stop growing cotton because of the weevil, but he must grow the cotton and not depend too much on the cotton's making without any effort on the part of the farmer.

"Every farmer should plow under and burn up all the cotton stalks on his farm, and get his neighbor to do the same before frost. Plow under or burn all the rubbish in the fields and around them sometime during the winter to destroy all the weevil that might live through the winter to infest the field the next season. Prepare the ground better, and give the cotton a good start next spring.

"If you will get in touch with the Farmer's Co-operation Demonstration Work and follow their methods, you will be able to fight them more successfully.

## Negro Highwayman Killed By Posse.

Huntsville, Ala., Oct. 9.—Joe Chandler and Ben Chandler, negro highwaymen who held up and robbed Milton High, Thursday afternoon, were shot to death and their companion, Ed Black, was fatally wounded in an encounter with Sheriff Mitchell and posse this morning. Black, desperately wounded, is skulking in the bushes with no possible chance of escape.

The negroes did some fighting, but none of the officers were hurt. The encounter took place in the Southern Railway cut at Elco, five miles west of here at 4 o'clock this morning.

The hunt for these negro desperadoes has been continuous since within an hour after the highway robbery near Merrimack Thursday, and it has been one of the most exciting that the officers of Madison county have ever engaged in. Several encounters have been had with the men and each time they fired on their pursuers.

Mr. Ramond Bryan has a patch of Japanese cane on his place near the end of Smith Avenue that is a sight well worth going to see. There is something like half an acre of it, and the cane is places some seven or eight feet high and about as thick as the hair on a dog. This cane was grown from the stubble from which a crop was cut last fall, and it is said that it will reproduce itself in this manner for seven years.

It is said that this Japanese cane makes fine syrup, and is excellent food for hogs and cattle. If this is true it would pay farmers to plant it, as this patch shows that it will make more tons of feed to the acre than anything ever grown for food in this section.

Editor: J. F. CARMICHAEL.  
Proprietor: J. F. CARMICHAEL.

SUBSCRIPTION PRICE.

Three months \$1.00  
Six months \$1.50  
One year \$2.50

Entered as second-class matter July 18, 1908,  
at the postoffice at Elba, Ala., under the act of  
Congress of March 3, 1879.

ELBA, ALA. OCT. 11 1910.

The corner stone of a fine High  
School building will be laid at  
Clio this week.

The school building at Samsom  
was burned last week. Loss  
\$2,000 with no insurance.

The heaviest rains for forty  
years fell in Kentucky, Tennessee  
and Louisiana last week. Many  
of the low lands were flooded.

A convention has been called to  
meet in Birmingham to formulate  
plans and raise funds to advertise  
the state's resources. We certainly  
hope the convention may suc-  
ceed in this work, for it is certain  
that we have the greatest state in  
the union and will have the most  
riches when we can get men  
enough here to utilize our natural  
resources.

It does seem foolish for a young  
man to leave the farm and come  
to town to work for a salary that  
just keeps him in clothes at a  
cheap boarding house, but many  
of them are willing to do it, and  
we suppose there always will be.

The municipal middle at Sam-  
son has been cleared up by both  
factions agreeing that Mr. Mizell  
is to be mayor until the courts  
can decide the contest.

Senator Bob Taylor has been  
nominated by the "regular"  
democrats of Tennessee to oppose  
the republican nominee who has  
been endorsed by the prohibition  
wing of the democratic party in  
that state. It is to be hoped  
that the democrats can all come  
together now and save Tennessee  
to the democrats.

## PAM-ALA A Radical Remedy for MALARIA

Unlike many medicines for  
this disease which only re-  
lieve, Pam-ala cures effectively and  
quickly. Eradicates the poison from  
the blood. Easily taken by the most  
sensitive patients.

Contains no quinine, arsenic  
or any other harmful drug.

Mrs. T. J. McEvey, 634 South St.,  
New Orleans, writes:

"Having suffered for years from  
Malaria—Chills and Fever—I was  
glad to learn of your Pam-ala.  
After taking it the fever left me  
and I felt like a new person. I  
hope that Pam-ala will reach  
every Malaria sufferer."

Is it worth while to suffer, shiver and  
shake when relief and cure may be ob-  
tained from any reliable Druggist for  
\$1.00. Small size 50c.

Davis & Lawrence Co., Selling Agents, New York.

Some seven or eight states have  
made appropriations to produce  
the recently discovery remedy for  
hog cholera. The discovery was  
made by government chemists  
after years of experimental study  
and is said to be almost a sure  
preventive. The next legislature  
of Alabama should make an ap-  
propriation to furnish this remedy  
to farmers, as it is only in this  
way that it can be procured at a  
reasonable cost. Hog cholera  
cost the farmers of Alabama  
several million dollars each year,  
and has made hog raising so  
hazardous as to almost kill it in  
this state. If this remedy is  
effective, and we do not doubt  
but that it is, it would be cheap  
at almost any price.

The Conservation congress held  
last week in Atlanta was atten-  
ded by delegates from fourteen  
states. Mr. Gifford Pinchot,  
head of the Conservation Associa-  
tion, in his address, said that  
nine-tenths of the water power of  
the South had already passed into  
the hands of rich corporations,  
and that it was time for the peo-  
ple to get busy if they would save  
anything for themselves. It pro-  
posed that the states reserve the  
water power and let the out to  
individuals or corporations for a  
fair compensation. The congress  
also endorsed the Apalachian  
Reservation and will attempt to  
get bill now pending in congress  
into law.

## Notice of Application to Sell Lands for Maintenance and Education of Minors.

State of Alabama, } In Probate Court  
Coffee County, } Elba, Alabama.

In the matter of the application of W.  
L. Baggett, guardian for Willie May,  
Leveda, and William Alton Baggett, to  
sell lands for the maintenance and edu-  
cation of said minors.

Notice is hereby given to all persons  
concerned that on this day W. L. Bag-  
gett, guardian for the above named  
wards, who are minors, filed his applica-  
tion in writing alleging that it is nec-  
essary to sell the lands hereinafter de-  
scribed for the maintenance and educa-  
tion of said minors, which lands are de-  
scribed as follows:

A one third, less 1-32 undivided inter-  
est owned by the said Willie May Bag-  
gett, a one third, less 1-32 undivided in-  
terest owned by said Leveda Baggett, and  
a 1-32 undivided interest owned by said  
William Alton Baggett, in the following  
described lands: South half of nw 1/4 of  
sec. 7, less two acres sold off and occu-  
pied as a Church lot and cemetery, and  
two acres in southwest quarter of nw 1/4  
of nw 1/4 of section 7, all in township  
3, n. range 22, e, and said two acres being  
and lying between the West boundary  
line of said quarter and the public road  
running North and South, all in Coffee  
County, Alabama.

And Monday, the 17th, day of October  
1910 has been set by an order of the  
Court this day made, as the day for hear-  
ing said petition.

Given this 23rd day of Sept. 1910,  
S. N. Rowe, Judge of Probate.

## Notice.

The State of Alabama,  
Coffee County.

Mr. W. D. Hutchison, of An-  
dalousia, was in Elba Sunday en-  
route to New Brookton to visit  
his father's family.

The New York Commission  
House will be closed all day  
Thursday, October 13th, on ac-  
count of Jewish holiday.

Mrs. John Mash and children,  
of Brookton, were here Sunday  
visiting Mr. and Mrs. J. O. Davis.

## Foley Kidney Pills

What They Will Do for You

They will cure your backache,  
strengthen your kidneys, cor-  
rect urinary irregularities, build  
up the worn out tissues, and  
eliminate the excess uric acid  
that causes rheumatism. Pre-  
vent Bright's Disease and Dia-  
betes, and restore health and  
strength. Refuse substitutes.

City Drug Company.

Cotton came pretty near reach-  
ing 15 cents in Elba Saturday. It  
will go to 15c before the season is  
much older, is the opinion of  
many cotton dealers.

Mr. T. A. Meadford, one of the  
many successful farmers of Vic-  
toria, was among the prominent  
visitors in town yesterday.

Elba merchants are all grinning  
these days. Trade is good, the  
best in many years, and prospects  
are bright for it to continue good.  
More people are buying goods  
here this year than we have ever  
seen before.

Mr. J. P. William, an old and  
highly esteemed citizen, of near  
Clintonville, was among the  
pleasant visitors at The Clipper  
office yesterday.

There are quite a number of  
good people on our subscription  
list whose subscription to The  
Clipper has expired, and we  
would like to have them renew  
now that the harvest season is at  
hand. Look at the label of your  
paper and see if you do not need  
to re-new.

Mrs. Sam Reubenstein is visit-  
ing relatives in Birmingham.

Miss Annie Lou Conner left Mon-  
day for Ft. Gaines, Ga., where she  
will spend some time visiting the  
family of her brother, Mr. Claude  
Conner.

Messrs W. O. Vaughn, H. J.  
Clark, and Miss Pearl Hutchison,  
visited Opp Sunday.

School Board Meeting.

The Coffee county school board  
will be in session at Elba on the  
13th inst at 1:00 o'clock, P. M.

C. H. Byrd,  
Chairman of Board.

What to Do in Case of Accident.

If skin is broken apply Dr  
Bell's Anti-Pain at once and the  
wound will heal quickly and never  
get sore. Used internally and ex-  
ternally.

Free Sample  
Aids Old Men

The sudden change from years of  
activity of both body and mind to  
the quiet of later years causes the  
human system to undergo many  
changes, chief of which is in the di-  
gestive organs.

It becomes harder and harder to get  
the bowels to move promptly and regu-  
larly and in consequence many evils  
arise not only from the basic trouble, con-  
stipation, but from indigestion, heart-  
burn, sour stomach, drowsiness after  
eating and similar annoyances. It is first  
of all necessary to keep the bowels open  
and then to tone the digestive muscles so  
as to get them to again do their work  
naturally. A violent cathartic purga-  
tive is not only unnecessary but harm-  
ful, and something mild will do the work  
just as well.

After you have got through experi-  
menting with salts and pills and waters of  
various kinds, and have become convinced  
that they do only temporary good at best,  
then try Dr. Caldwell's Syrup Pepsin, a  
mild, gentle, pleasant-tasting laxative,  
tonic that is especially adapted to the  
requirements of old people, women and  
children, and yet is effective enough for  
anybody. Your druggist, who has handled  
it successfully for a quarter of a cen-  
tury, will sell you a bottle for fifty cents  
or one dollar, but if you want to make  
a test of it before spending any money  
send your name and address to Dr. Cal-  
dwell and he will gladly send you a sample  
bottle free of charge.

This remedy is rapidly displacing all  
other forms of medication for the cure  
of stomach, liver and bowel trouble, and  
families like Mr. O. P. Winters of Spee-  
more, Ill., and Mrs. Carrie Cutler of  
215 N. Notre Dame street, South Bend,  
Ind., are now never without it in the  
house. They have tested it and know the  
grand value to every member of the  
family.

Dr. Caldwell personally will be pleased  
to give you any medical advice you may  
desire for yourself or family pertaining to  
the stomach, liver or bowels absolutely  
free of charge. Explain your case in a  
letter and he will reply to you in detail.  
Put the free sample simply send your  
name and address on a postal card or  
address in Dr. W. B. Caldwell, 1130 Cal-  
dwell Building, Monticello, Ill.

City Drug Company

# When a Man Builds A Business,

stone by stone, and builds on a foundation  
of solid merit he sometimes uses up years to  
complete the job. But when the structure is  
done--it is done for all the time--it can laugh  
at the business storms and squalls, that  
wrecks it's competitors.

Such is our idea of building up our business  
and the supremacy of value giving will re-  
main long after the toil and sweat we paid  
has been forgotten.

To-day we are giving better values than any  
other store in Coffee county, but our pride is not  
in that, it is in the knowledge that we do our  
best, and in the satisfaction we wrap in every  
bundle that leaves our store.

It is really a pleasure to do one's buying in a store like this, but  
still greater is our pleasure in serving you the best we know how.

Your money back if we dont.

Sam Reubenstein, Proprietor.

in in South Alabama. Clean merchandise—  
physically and ethically.

You will like our prices, but we believe you will  
think more of what you can get for them,

## THE WOMAN'S STORE

We are members of Dothan Rebate Association and  
refund your rail road fare.

## Why These Clothes Are Absolutely Correct.

In the great Goldman-Beckman tailoring shop at Cin-  
cinnati, two designers spend every working day in the year  
studying, evolving, creating styles. They make scores of  
models from which only the choicest—a possible dozen all  
told—are submitted to you. You may contend such expert  
attention adds to the price of our clothes. If this were  
true when distributed over the entire product, it would  
not mean more than 10 cents per suit—and would most  
assuredly be worth it. But it is an actual fact that the  
economies of extensive specializing in conjunction with the  
production of thousands of garments where ordinarily but  
tens of garments are produced actually lessens the expense  
of production per garment.

These benefits are yours. Every Goldman-Beckman  
Suit or Overcoat embraces their fullest advantages.  
If you desire more for your clothes money than you have  
ever before received, visit this store while our new Fall  
stocks are most replete.

CLARK & PATRICK.

POOR ORIGINAL

BLEED THROUGH

# BROCKTON.

By B. F. WEAVER.

(All communications intended for this department should be addressed to B. F. Weaver, New Brockton, Ala.)

Horace Brook is over at Geneva spending a few weeks.

Miss Mabel Davis of Elba, returned to her home Saturday after a stay with relatives here.

Rev. J. D. Fuller preached at the Baptist church Sunday.

The series of meetings which came to a close at the Methodist church Thursday, were attended by large and interested congregations. Rev. Tate from Brundidge proved an entertaining and instructive speaker, of great power. We would especially remember his advice: If you have any flowers you would place on the grave of a loved one, give that one the flowers now.

Some of our people went down to the Camp Ground singing Sunday.

Miss Edna Maryan of Enterprise, spent Sunday night with Miss Harris here.

Ewell and Eva Harris went down to Pleasant Ridge Sunday.

Mr. J. R. Stucky went to Montgomery Monday.

Nearly all our young people went to the all-day singing at Pleasant Ridge Sunday.

Mrs. McKnight of the Shaw Still community stopped with Mrs. Wright here last week, while on her way to visit her brother in Enterprise.

**Why People Cough.**  
is a mystery when Dr. Bell's Pine-Tar-Honey will cure any cough. Look for the bell on the bottle. It marks the genuine.

Friday night the writer heard that old familia cry of wild geese flying southward, and he was carried back to his boyhood days on a Chambers county farm when on some sunny autumn day a long line of wild geese, messengers of the north wind would startle us with their cry of warning as they floated across the heavens in a long straight line "like an arrow across the sky."

This is a sure sign of cold weather so you had better have that old suit cleaned up or go to the merchant who advertises and buy a new one.

**If You Have Any Doubt**  
of the merit of Dr. Bell's Pine-Tar-Honey one bottle will remove that doubt and your cough at the same time. Look for the bell on the bottle. It is the genuine.

## The Foot-Path to Peace.

"To be glad of life because it gives you the chance to love and to work and to play and to look up at the stars; to be satisfied with your possessions, but not contented with yourself until you have made the best of them; to despise nothing in the world except falsehood and meanness, and to fear nothing except cowardice; to be governed by your admirations rather than by your disgusts; to covet nothing that is your neighbor's except his kindness of heart and gentleness of manners; to think seldom of your enemies, often of your friends and every day of Christ; and to spend as much time as you can with body and with spirit, in God's out-of-doors—these are the little guide-posts on the foot-path to peace."—Henry Van Dyke.

## The Right Inducement.

Greenboro Record.  
With meat and lard selling at 20 cents per pound we think that it would pay our farmers to raise more hogs than they have been raising. The cost of raising hogs is correspondingly low in comparison to the price of meat and lard. We should think that a larger outlay of time and energy in this phase of farm life would yield great profits.

**"To Be Or Not To Be"**  
constantly coughing depends on whether or not you use Dr. Bell's Pine-Tar-Honey. A few doses will stop that cough.

**It Looks (Bad For You)**  
to have sore eyes. Sutherland's Eagle Eye Salve will cure them. Harmless and Painless, guaranteed for 25c a tube.

Don't know whether this item refers to "Progressive" or "Old-Fashioned" politics, but it comes from Texas, and is brief and business-like. Says The Laredo Times:

"Noah Allen met John Garner in their first joint debate at Eagle Pass the other day and reports of the discussion indicate Noah may recover, but he will never look like the same man again."

John N. Whitman, Supt. Chicago School, says of Tom Conwin, "The entertainment furnished by Tom Conwin, Polyphonic Imitator, to my mind, can not be surpassed. It is unique and entirely original and when his splendid personality is considered the entertainment is supremely profitable."

**Unisibly**  
Sores, boils, eruptions, pimples, blackheads and all skin affections are very quickly cured by the use of Dr. Bell's Antiseptic Salve. 25c Sold everywhere.

## W. D. DAWKINS,

# Free Railroad Fare To Dothan, Alabama, and Return.

Beginning Monday, Sept. 19th, any person living ten miles or more from Dothan, Ala., may have their railroad fare paid both ways

Beginning Monday, Sept. 19th, any person living ten miles or more from Dothan, Ala., may have his or her railroad fare paid both ways. All that is required is that the person buy one dollar's worth of goods from the members of the Dothan Merchants Rebate and Protective Association for every mile he lives from Dothan.

For instance; if the person lives twenty miles from Dothan and buys \$20 worth of goods his fare is refunded both ways; if he lives twenty-three miles from Dothan and buys \$23 worth of goods, his fare is refunded both ways; if he lives ten miles and buys \$10 worth of goods, his fare is refunded both ways, and so on. If he lives twenty miles and trades only \$10, his fare is refunded for one way, and so on, one mile both ways for every dollar spent. To have fare refunded, the customer must trade with the following merchants, who are members of the

<b>H. BLUMBERG &amp; CO.</b> Dry Goods, Clothing, Shoes and Notions. Corner Main and S Foster Sts	<b>PARKER &amp; EZZELLE</b> Merchant Tailors.
